At Kidd's Kids, our primary goal is to provide children (ages 5 to 12), who have a chronic or terminal illness or are physically challenged, with an unforgettable adventure throughout the year. We work hard to raise the funds necessary to send these special kits on an all-expenses paid, fun-filled vacation to Walt Disney World® in Florida. Most of our funding comes from donations made by listeners to the Kidd Kraddick In The Morning radio show, corporate sponsors, and various fundraising events.
