

IDENTIV TO SHOWCASE SMART CARD READERS AND INTERNET OF THINGS SOLUTIONS AT SMART CARD ALLIANCE PAYMENTS SUMMIT

FREMONT, Calif., March 31, 2016 — [Identiv, Inc.](#) (NASDAQ: INVE) today announced that it will showcase its smart card readers and radio frequency identification (RFID), near field communication (NFC), and inlay solutions for the Internet of Things (IoT) at Smart Card Alliance Payments Summit in Orlando, Florida. Smart Card Alliance Payments Summit is the premier industry event covering all things payments, including FinTech, EMV chip technology, mobile wallets, NFC, contactless, open transit systems, and more.

Event: [Smart Card Alliance Payments Summit](#)
Date: April 4 - 7, 2016
Where: Booth 220 at Loews Royal Pacific in Orlando, Florida

Identiv will be showcasing its [smart card readers](#) during the summit. Identiv offers the world's broadest range of contact, contactless, and mobile smart card reader and terminal technology, digital identity and transaction platforms, as well as solutions that integrate physical and logical access control. Identiv's smart card-based products and solutions are utilized around the world to enable security and identification applications, transaction systems, e-health, and e-government. Identiv is a leading provider of solutions for secure access, secure identity, and secure exchange.

Identiv will also feature its [RFID, NFC and inlay](#) offerings at the event. Identiv is an expert in designing and manufacturing high-frequency (HF) and ultra high-frequency (UHF) transponders for embedded use in everyday objects, including medical devices, books, toys, and athletic apparel. Transponders can be delivered in different form factors, including dry inlays, wet inlays (with backing adhesive), labels (printed or not), tickets, and more, and are uniquely positioned to deliver RFID connectivity to any object in the IoT market.

Smart Card Alliance Payments Summit runs April 4 - 7, 2016 at Loews Royal Pacific in Orlando, Florida. To book a meeting with the Identiv team, please [fill out this form](#) or stop by booth 220 during the event.

###

About Identiv

Identiv, Inc. is the leading global player in physical security and secure identification. Identiv's products, software, systems, and services address the markets for physical and logical access control and a wide range of RFID-enabled applications. Customers in the government, enterprise, consumer, education, healthcare, and transportation sectors rely on Identiv's access and identification solutions. Identiv's mission is to secure the connected physical world: from perimeter to desktop access, and from the world of physical things to the Internet of Everything. Identiv is a publicly traded company and its common stock is listed on the NASDAQ Capital Market in the U.S. under the symbol "INVE". For more information, visit [identiv.com](#).
